Anderson Humane Society
SNAP
P.O. Box 448
Lawrenceburg, KY 40342

This program is offered to Anderson County residents only.

It may take up to four (4) weeks for the voucher(s) to arrive. After the voucher(s) are received, it is your responsibility to make an appointment with a veterinarian to perform the procedure. Participating veterinarians will be listed in the letter that comes with the voucher(s). The veterinarian will require a voucher and proof of a current rabies vaccination for each animal. If your animal is not up-to-date on its rabies shot, ask the vet you choose how much extra this will cost you.
